# 4.0 Teacher Training

There will be no 21st  
century-learning without  
21st-century teaching.

“ Teaching is not just a profession; nor is it a delivery system. It is a leadership calling to **develop humanity** and lay the foundations for **a sustainable and equitable future.** ”

We believe in building a world where everyone is empowered to be a changemaker and **that journey starts in the classroom.**

The 21st-century educator's role is to facilitate **communication, collaboration and hands-on activities** that bring the best out of students.

## **Academy of Entrepreneurs™ has custom made Teacher Training Programs for High School and University 4.0**

Our programs have been designed for all teachers, career advisors, academic managers and principals. Our programs offer a unique and practical training experience that enhance educators' impact in the teaching and learning environment.

# 4.0 Emotional Intelligence Teacher Training Program

Program Outline/Competencies	Duration	Fee: Online Self-Paced per participant	Fee: Online Live Streamed per participant (Groups of 5+)	Fee: Face-to-Face in Sydney per participant (Groups of 5+)
CULTIVATING EMOTIONAL RESILIENCE IN TEACHERS; In this module, you will learn how to become more resilient and why this will benefit your teaching, not only for your students but for you personally. Once you understand how your thoughts, feelings, and actions impact you, you are better able to make positive changes.	2 hours	\$27	\$50	\$100
PERSONAL POWER; Learn to identify your strengths and increase self-awareness, which in turn will increase your personal power. Unleash your ability to solve problems and achieve results.	2 hours	\$27	\$50	\$100
BEHAVIOURAL SELF CONTROL; Identify how to keep disruptive emotions and impulses by using the Emotional Audit Tool, designed to buy time to provide you with the “space of mind” and the ability to choose a response rather than simply, and impulsively react in emotionally-charged situations.	2 hours	\$27	\$50	\$100
STRESS MANAGEMENT; Stress Management is the ability to work calmly under pressure. In this module, you will learn how to identify stress better. This will raise your self-awareness to the point that you are then able to create an action plan using the method available in this module.	2 hours	\$27	\$50	\$100
HACKATHON; Solve a program within the institution and present to the Head/Director/Principal		N/A	Free when all 8 modules are purchased	Free when all 8 modules are purchased
